

K-Taping Certificate Training for OCCUPATIONAL THERAPISTS

By **Dr. Roger Ehrenreich**, International Clinical Master Trainer, K-Taping Academy (Germany)

Dr. Roger Ehrenreich is a physician. He travelled worldwide and taught courses focusing on treatment by K-Taping Techniques which many Occupational Therapists in Hong Kong are already practicing.

With clinical handout and lecture materials specially designed for Occupational Therapists who are using / would like to use tapes as treatment options, **K-Taping Academy (Germany)** and **GSBE Global Academy** are co-launching this Certificate Training in Hong Kong

The training covers introductory to the functions and effects of K-Taping®. Applications learned in this course will be for muscle, ligament, functional corrections, and fascia corrections. Lymphatic correction techniques are also introduced.

Participants will be able to learn and practice applications of combination techniques for multiple conditions including: impingement syndrome, whiplash, low back pain, finger contusion, wrist stabilization, Iliotibial band syndrome, Patella femoral syndrome, Hand rehabilitation, scar tape application, lymphatic dysfunction and more - as well as the indications and usage of CROSSTAPE®.

Specially Designed Non-Commercial Course Book for Occupational Therapists will be given for free.
